<b>TOTAL AMOUNT ORDERED</b>				

\* Existing recipe means, the recipe has already been analyzed and a nutrition facts label has been generated by Energyent.

**BEFORE SENDING COMPLETED FORM – PLEASE SAVE DOCUMENT TO YOUR COMPUTER BEFORE SENDING BY EMAIL.**

**PROJECT PROOFING TERMS**

Upon completion of the Recipe Analysis, a proof will be provided including a recipe report and full nutrient sheet to evaluate and approve prior to label generation. Please proof well to ensure all ingredients are listed correctly. Two (2) rounds of changes are included in the initial setup cost. Any and all corrections or adjustments to the recipe should be made during the two rounds of changes allowed. If further changes are requested beyond the two rounds allowed (prior to nutrition facts label being generated), a \$15.00 fee will be added to your order. If any changes are requested after recipe analysis has been approved, and the nutrition facts label has been generated, an additional fee of \$35.00 will be added to the order. It is the client’s responsibility to proof the documentation well and ensure the recipe is accurate. Energyent will not be held responsible for recipe errors after client approval.

**COMPLIANCE PROOFING TERMS**

**Three (3) rounds of proofing are included in the Label Compliance Review service.** Once Energyent provides corrections to be made, it is the client’s responsibility to confirm all corrections have been made by their graphic artist.

**If additional rounds of proofing are required beyond the three (3) rounds included, due to corrections not being made, an additional \$60.00 will be incurred per each round of additional edits.**

**INTERNATIONAL LABELS**

Energyent offers the service of generating and/or reviewing international and bilingual package labels for compliance. Please visit us at energyent.com for more information.

**PROJECT TURN-AROUND**

Standard turn around time for project completion is 5-7 business days, excluding holidays, beginning at the time all information has been provided. Rush charge for 2 business day turn around, add 100%.

**PROJECT DELIVERY**

All projects will be completed and delivered via electronic transmission upon final payment of services rendered and final approval form signed and returned. Final digital files are provided in PDF and EPS formats, unless other format is requested by client.
